

Have Your Say: Have you been experiencing problems getting a mortgage or remortgage?

Amid a worsening economic climate, the housing market is grinding to a halt – mortgage approvals for house purchases are down 64% on last year, with remortgages having fallen by 28% in the same period.

But according to Tony Harris of [ContractorFinancials](#), there is light at the end of the tunnel, with lenders offering more deals to the right kind of borrower. There are also, he says, contractor-friendly products that recognise contractors are neither employees nor self employed.

Have you been experiencing problems getting a mortgage or remortgage?
